delicious freshly prepared on site by studio chefs, it's no wonder our food gets our guests talking.

studio food

We **LOVE** our food and always seek to improve our offer aiming to wow our guests on each and every visit.

We design our menus based on **seasonality**, using **local suppliers** to ensure provenance and reduced food miles.

We firmly believe that **good food = successful event!** All our food is **freshly prepared on site** by our chefs to the highest of standards, using seasonal vegetables, 'red tractor' meat, eggs from free range hens and no additives or trans fats so we meet the government guidelines for food and nutrition.

ecosmart venues

To support our ambition to becoming as sustainable as possible we are pleased to have successfully completed the Greengage Ecosmart accreditation and are delighted to have achieved a GOLD rating across all four locations.

studio coffee

Our very own studio blend is provided by Redber Coffee Roasters, who are passionate about great quality coffee, which is grown and traded fairly. All of our coffee is roasted, packed and despatched the same day to guarantee the freshest cup possible.

inside-2-out

We're proud to partner with Inside-2-Out, who focus on providing food, drink, essential supplies and friendship to those living on out streets, helping them get back on their feet. Every day our chefs and catering team package up any extra food we have from the day, providing nutritious meals to be served up and offered in the soup kitchen.

balance

We love our food so much we've developed our own not-for-profit cookbook! Balance offers an informed way of giving your body all the nutrition it needs whilst being able to treat yourself to amazing food. To find our more and order your copy visit thestudio.co.uk/balance
